Experience the Elements (Fort Building)

CEDARWOOD WALDORF POP-UP CLASSROOM

8:00am-7:00pm
Musical Instruments, by Anna & Elise Cramer (to be held near The Wild Horse Stage). Multiple, one-hour workshops for kids to make different instruments from recycled materials. All ages invited. (projects can be scaled back depending on level). Kids can use their instruments to make music with each other during the workshop or play along with the other performances.

8:30-10:00am: Paper Sun Hats
Come and make a wide brimmed fun sun hat that you can decorate with paper feathers for your pirate look, flowers for your Dolly Varden, or streamers for your sombrero! Very simple construction and decorate to your head's content, (below 5s may need an assist so festive adults welcome to make their own too.)

10:00-11:00am: Homemade Spinning Poi
Make your own poi using balloons & rice, a tube sock, and a sturdy knot. Then spin and fling your poi!

12:00 - 2:00pm: Imaginatively Play! Children ages 3-7 are invited to join us for up to 2 hours with our highly engaging staff. These younger children may freely engage in face painting, wind wand making, gemstone shifting and more!

2:30 - 4:00pm: Beedie Babies: Create bendable beaded animal friends to adorn a keychain! This 90 minute workshop, lead by a Cedarwood teacher, is for children ages 7-9.

4:30 - 6:00pm: Basket Weaving: Children ages 9 will be guided by a Cedarwood teacher in crafting a small basket to take home. Another 90 minute workshop, lead by a Cedarwood teacher, is for children ages 9 and older.
